Quotations on Leading Products In Demand

Boston, March 4.-There is a little easier feeling in the butter market, though the jobbing quotations are nominally unchanged. Receipts are still moderate, or prices would break. The jobbing prices are: Choice northern creamery, 32@33c; western creamery. \$16/32c.

The cheese market is cleaning up well, and prices are firmly held at recent quotations. York state, 15 1 201 16 1-2c; Vermont, 14 1-2/a15 1-2c.

Eggs advanced in Chleago, but this market did not respond, and prices here are now about to below those quoted a week ago. Choice hennery and nearby. ern, 246/25e; refrigerators, 19 1-26/21c.

There has been a good average bus ness and some signs of spring activity in fruits and vegetables in the local market. The supply of goods has been moderate and prices are firm, but not unusually high. Carload lots of pota toes have not sold well at recent quetations; the falling off in the demand. primary potato markets are no lower than they have been, and it is believed that local quotations will soon recover, but walls one No. 1 digned white somet The apple trade is dull and unsatis-

factory. There is plenty of fruit from \$15002.50 a barrel, but the demand ifor the poor market for low-priced as ples. The cranberry season is closin. lonly a few cranberries are being

Hothouse truck continues supply and quite reasonable, but high. Kale is in light supply, but quality is poor and deniers have to in low prices. Lettuce is plenty . cheap, as it has been lately, but the not much native celery in the uand the supply of string beans from south increases very slowly. All blad of root stock hold firm, and light Cabbages are more plenty and sothan they have been; a few have here received from the south, but an ve stock is much to be preferred on on and turnips are higher than they have
